Maps of Greece

A comprehensive atlas of Greece titled "Ellada, enas synchronos hartis" (Greece, a Modern Atlas), with texts written jointly by Aris Aslanidis, Maria Leventopoulou, Nikolaos Christodoulakis and Efstratios Balakos, has just been released by Patakis Publications. This valuable work is designed especially for elementary school children, though adults will find it a useful tool too. This first edition includes a detailed map of Attica and Viotia prefectures as well as a supplement with thematic maps and a geophysical map of Attica and Viotia. Readers will also gain insight into the flora and fauna of Greece while learning about the country's archaeological monuments, historical cities, tourism destinations, traditions and customs. The 162-page edition costs 10,50 euros.
